PASADENA, Calif. (AP)—Ranger 7 will carry more than cameras when it is launched at the moon next week: On it will be riding the hopes and perhaps the future of the men who made it.

After Ranger 6 hit the moon last February but failed for the fourth straight time to return close-up pictures of the lunar surface, scientists at its Jet Propulsion Laboratory birthplace came under severe criticism from the parent U.S. space agency and in Congress.

JPL operations since then have been overhauled and Ranger 7 has been subjected to minutely detailed tests.

### Chances Even

Result: JPL chief William Pickering gives it a 50-50 chance, compared with the 1-in-4 chance given Ranger 6.

"We are more confident about Ranger 7—we give it one chance in two—because we have one more shot behind us and some changes have been made to improve the reliability of the craft," Pickering said in an exclusive interview.

"I believe the National Aeronautics and Space Administration is now convinced that this is a complex and difficult job, but that we will be able to get pictures of the moon from at least one of the next three shots."

Whether Ranger 7 succeeds or not, Pickering said, there will be no more launchings this year due to other commitments at the Atlantic range.

"But we fully expect to fly two more Rangers early next year," he said. "Ranger 8 is already assembled and work has begun on Ranger 9."

### Hundreds In Crew

All day Thursday some 300 scientists and engineers here will go through a full-dress simulation of the flight in the laboratory's new \$14.6-million tracking center, which will control the spacecraft after launch.

Working with them in the 12-hour drill, as they did in a similar rehearsal Monday, will be 500 technicians at tracking stations around the world plus another 100 at Cape Kennedy.

What will happen if, despite all precautions, Ranger 7 fails to send back pictures scientists need to select a site for manned Apollo moonship landings later in this decade?

That's anybody's guess, but NASA has ordered a new deputy director, retired Air Force Maj. Gen. Alvin R. Lueddecke, to come here next month, reportedly as a condition for renewal next December of its contract with the laboratory.

Industry sources here expect Lueddecke to be ruthless if Ranger 7 fails.

## Roadside Sign Hearing Aug. 3 At Manistique

LANSING (AP)—Sen. Kent Lundgren, R-Menominee, chairman of a Senate committee studying roadside advertising, today announced a committee meeting will be held Aug. 3 at the Schoolcraft County Court House at Manistique.

State Highway Commissioner John Mackie was asked to attend the meeting.

Lundgren said he wanted Mackie to give testimony on the variance of highway right-of-way widths as related to owner identification signs, now a matter of conflict between some businessmen and the department.

"I believe the National Aeronautics and Space Administration is now convinced that this is a complex and difficult job, but that we will be able to get pictures of the moon from at least one of the next three shots."

## Cuban Exiles Call For Action Against Castro

WASHINGTON (AP)—Urged on by a march of Cuban exiles, some of whom rioted briefly Tuesday, foreign ministers of Western Hemisphere nations considered today what steps to take against Cuban aggression.

Secretary of State Dean Rusk, pushing the United States to request for action, was among the day's scheduled speakers.

A clash of several hundred Cubans with hastily summoned police marred what had started out as a peaceful demonstration by more than 5,000 Cuban exiles who came here to urge action against the Castro regime.

Meddlers Blamed

More than 400 metropolitan and park policemen, some on horseback and motorcycles, helped quell the disturbance which broke out when some of the marchers insisted on leaving the parade route to head to the Pan American Union building where the foreign ministers are meeting.

Two Cubans and a park policeman received hospital treatment and about 45 other Cubans were treated for cuts, bruises, exhaustion and heat prostration.

Three men and one woman, arrested on disorderly conduct charges, were released after posting collateral.

In Miami, organizers of the march charged that "Castro people" infiltrated their ranks and were responsible for the trouble.

The parade had been organized to march from the Washington Monument to the Lincoln Memorial and back to support the cause of sanctions against Cuba. Some insisted on going on toward the meeting site.

In Happy Mood

Mounted policemen rode slowly into the crowd, forcing those in front back against others following. Many fell to the ground in the crush.

Aided by leaders of the march, police soon restored order and the crowds melted away.

Most of the demonstrators had appeared in a happy mood as they carried signs "Cuba si, Russia no," and "We save Cuba or we lose America." They had gathered here from Miami, New York, Baltimore and other East Coast cities as well as from Chicago.

Venezuela is pressing the Organization of American States for complete sanctions against Cuba under the 1947 Inter-American Treaty. An OAS investigating committee has supported Venezuela's charge that Castro agents planted a three-ton cache of arms in Venezuela to supply pro-Communist guerrillas.

## Anti-Poverty Bill Heads For Senate Clash

WASHINGTON (AP)—A \$962.5-million antipoverty bill pointed toward a head-on clash in the Senate today between the Johnson administration and Sen. Barry Goldwater, the Republican presidential nominee.

The many-sided measure, denounced by Goldwater as designed chiefly to get votes in this year's election, is being pushed by President Johnson as part of his declared war on poverty.

As Senate Democratic Leader Mike Mansfield of Montana called the bill up for action in the Senate, the House Rules Committee planned to resume hearings on a companion measure.

Administration leaders were confident the committee would clear the bill for action by the House, but several days of hearings were in prospect. Once the bill reaches the House floor, it will face stiff GOP opposition.

Among other things, the Senate bill would establish a job corps to help unemployed youths obtain new skills and work experience, finance most of the cost of community programs in such fields as health, welfare and vocational rehabilitation, set up a new Volunteers for America Corps to help oper-

ate various projects, provide loans and grants to low-income rural families, and assist migrant farm families.

Goldwater criticized the bill Tuesday as "an attempt to reap political rewards from the American people's natural and humane desire to improve the lot of our less fortunate citizens."

He was joined by Sen. John G. Tower, R-Tex., in filing a minority report on the bill, which was approved by the Senate Labor Committee on July 7 by a 13-2 vote.

Goldwater and Tower termed the measure "a hodgepodge of programs treating only the results, not the causes of poverty." And they said that "whatever its professed purposes, it seems designed to achieve the single objective of securing votes."

In contrast, the majority report said the bill marks "a commitment by the Congress and the nation to dedicate themselves to the elimination of deprivation and dependency in this land."

## Candidate List Is Biggest In State History

LANSING (AP)—State elections officials said today it will take them at least a full day, perhaps longer, to get out from under what probably is the biggest flood of nominating petitions for public office in Michigan's history.

The office, a branch of the secretary of state's office, was virtually swamped Tuesday by candidates for various offices ahead of the 4 p.m. deadline.

Hundreds of petitions for offices ranging from governor to the House of Representatives were turned in, and the record-keeping process fell behind.

Nominees also filed petitions for the State Court of Appeals, the State Board of Education and posts on the Wayne State University Board of Governors and the Michigan State University Board of Trustees.

All-Day Task

"I expect it will take all of Wednesday before we know exactly how many candidates have filed and for what," said Bernard Apol, the assistant director of elections.

Officials said they never had seen as many petitions filed by candidates as have been accumulating in the office in recent weeks, capped by Tuesday's rush.

Even at that, the petitions filed in Lansing weren't all. County clerks were receiving from candidates filing in House, Senate and congressional districts contained entirely within county borders.

All signatures on petitions must be validated before the candidates' names are listed on the ballots for the Sept. 1 primary.

Although the records were far from complete, the filing deadline indicated several things.

One Man Unopposed

One was that one incumbent congressman, U.S. Rep. Elford Cedarberg, R-Mich., of Bay City, apparently will be unopposed in this year's election.

Elections officials said they did not know of any candidates who filed to oppose Cedarberg. The same may be true, they said, of U.S. Rep. James O'Hara, D-Mich., of Utica.

Democrats, meanwhile, apparently will have candidates in all 148 legislative districts this year, possibly for the first time in history.

The most crowded congressional primary races—out-state, anyway—will be in the second and 11th districts.

In the second, U.S. Rep. George Meader, R-Mich., of Ann Arbor, faces two Republican opponents.

In addition to the three Republicans, two Democrats are in the second district primary.

In the 11th, incumbent GOP Congressman Victor Knox of Sault Ste. Marie and John Bennett of Ontonagon are pitted against each other with three Democrats vying for the other ballot slot.

Gov. George W. Romney got his petitions in on time Tuesday, but another candidate for governor didn't make it. Fredrick Whiting of Jackson arrived too late.

Asked why he was late, Whiting, who was seeking to get on the ballot as a Republican, told newsmen: "Cat's got my tongue."

Shipping Sets 4-Year Record

CLEVELAND (AP)—Shipments of Lake Superior iron ore, coal and grain on the Great Lakes totaled 50,777,063 net tons for the first six months of 1964, a four-year high record.

Oliver T. Burnham, vice president and secretary of the Lake Carriers' Association, said the figure compared to 42,329,393 tons moved in the corresponding period last year.

June shipments of the three commodities were 19,242,162, up from 18,619,709 tons hauled in June last year, Burnham said.

## Politicians Hold Back On Support For Goldwater

By The Associated Press

A dozen Republican politicians, including New York's two senators, say they can't support GOP nominee Barry Goldwater for president—as of now.

None bolted the party. None said he would campaign for President Johnson.

Most said Tuesday they might back the Arizona senator if he clarifies or revises his views.

Sens. Jacob K. Javits and Kenneth B. Keating of New York announced their stands in separate news conferences.

Both supported Gov. Nelson A. Rockefeller of New York for the GOP nomination, and switched to Gov. William W. Scranton of Pennsylvania when Rockefeller withdrew.

Rockefeller Critical

Javits, who is not up for re-election this year, said he would work for a state platform along the lines proposed by Scranton forces for a national platform at the San Francisco convention.

He said he hopes Goldwater will do something to enable him to support the national ticket.

Keating said he hasn't decided if he will seek re-election this year, but if he does it will be as an independent Republican.

Rockefeller has said he would support the GOP ticket. But he sharply criticized the statement on extremism Goldwater made in his speech accepting the presidential nomination. Since then Rockefeller has made no further statement.

One prominent New York Republican, State Senate Majority Leader Walter J. Mahoney, said he expected that "all Republicans will be able to support the Goldwater-Miller ticket as the campaign unfolds."

Others Waiting

Other Republicans said they are holding off support of Goldwater.

Weather Rocket To Be Launched At Copper Harbor

COPPER HARBOR (AP)—A weather rocket is scheduled to be launched from a site near here Aug. 5.

Project Director Harold Allen of the University of Michigan said he will lead a seven-man team from U-M and Michigan Tech to the Keweenaw Peninsula in Lake Superior.

Allen said the first of five ARCAS weather rockets stored at Sawyer Air Force Base, Marquette, will be fired in conjunction with similar firings around the globe.

The rockets will travel 40 to 50 miles into the atmosphere recording wind velocity and temperatures, he said. On the return trip, the rockets will land in Lake Superior in an area cleared of ship and aircraft traffic.

The 200-acre firing range was donated by Calumet-Hecia Co. to U-M. Funds for the project were provided by the U.S. Weather Bureau, the State Legislature, and Cleveland Cliffs Iron Co.

## Negaunee Solon To Seek Post Of House Speaker

LANSING (AP)—A veteran Democratic legislator from the Upper Peninsula today became his party's first announced "candidate" for Speaker of the House—in case Democrats win control of the chamber in the November election.

"I definitely will seek the speaker's post if the Democrats win the majority of seats in the House," declared Rep. Dominic Jacobetti, D-Negaunee.

"I feel that I am qualified on the basis of my experience in the legislature and as Democratic caucus chairman in the last two years."

Many legislators, Democrats and Republicans alike, expect Democrats may gain control of one or both houses this year as a result of legislative reapportionment.

Republicans hold a 58-52 edge at present but one "guessimate" by Democrats is that they can take as many as 60 or 61 of the 110 House seats.

If all Democratic candidates were to repeat the success of Democratic Secretary of State James Hare in the 1962 election—an admittedly unlikely development—they would take 68 of the new House districts.

The present House speaker, Allison Green, R-Kingston, predicted after making his own analysis of voting patterns in the new districts that Republicans would win no more than 51 or 52 House seats.

Democrats have controlled the House only twice—in 1933 and 1937, during the time when Michigan's legislature met only once every two years.

Each chamber of the legislature is organized, in terms of leadership and committee appointments, by the party which holds majority control.

Green, has said the possibility that Democrats may gain control was a major factor in his decision to seek the Republican nomination for lieutenant governor this year.

Jacobetti, a 44-year-old representative for the United Steel Workers, has been in the House since 1954 and has served on the committees on education and conservation, among others.

Other potential candidates among Democrats for the speaker's post include Reps. Joseph Kowalski, D-Detroit, the present house minority leader, and George Montgomery, D-Detroit.

## Social Security Benefits Boosts Up For Debate

WASHINGTON (AP)—The House Rules Committee has cleared for floor debate sometime next week a bill to increase Social Security benefits and extend coverage to some 500,000 additional retired persons.

If the legislation reaches the Senate, it may provide a vehicle to revive the Johnson administration's proposal to set up a health care plan for the aged with Social Security taxes.

The House Ways and Means Committee rejected the health plan, but it provided a 5 percent across-the-board increase in Social Security payments and relaxed coverage requirements for aged persons previously barred because of insufficient length of working time.

## Viet Nam Reds Crush Battalion

SAIGON, Viet Nam (AP)—The Communist Viet Cong destroyed 75 per cent of a government battalion and captured an American sergeant in one phase of bloody engagements Tuesday near the southern tip of Viet Nam, accounts from the scene said today.

In all, at least 26 government troops were killed and 135 were missing and presumed captured by the red guerrillas in a battle set off by the ambushing of a government truck convoy.

A U.S. Army captain was among the wounded brought to Saigon.

Of the several government units involved, the 1st Battalion of the 31st Infantry seemed the hardest hit. Only 87 men emerged uninjured from a surprise attack by Communist bushwhackers. The remaining 263 were either killed, wounded or missing.

Spivak said the area is the scene of a struggle "seldom seen anywhere east of the Mississippi—a struggle between natural gas and oil interests to serve a wide area."

Michigan Consolidated applied to the commission July 10 for permission to serve 38 cities, townships and villages in the western part of the peninsula. It already has an agreement to sell gas to the iron ore pelletizing plant of the Hanna Mining Co. at Randville, said executive vice president Hugh Daly.

Northern Applied April 28 to the Federal Power Commission for authorization to provide initial natural gas service to the area, a spokesman said.

# Vanlerberghe In Senate Contest

There are 8 children in the Vanlerberghe family and they have several ideas about politics, but they're like the Kennedys — when one of them is running for political office they're solidly behind him. It's that way with Harold Vanlerberghe, whose nominating petitions for state senator were filed this week in Lansing.

When he announced his candidacy for the State Senate it was in the 30th State Senatorial District. When he filed it was in the 37th District. In between decision and filing the State Supreme Court, the State Apportionment Commission and the Michigan Legislature had changed their minds about apportionment.

In between there was still another change, temporary and fleeting, that made the district the 3rd Senatorial District.

It is typical of Vanlerberghe that, having made up his mind to run and having announced his candidacy, he is persevering, although the far end of his district is now 200 miles from his home in Escanaba.

**Former Mayor**  
Harold Vanlerberghe is a former mayor of Escanaba and has for years been very active in Upper Peninsula civic affairs and especially in economic development efforts. He and Alex Goldade of Brimley called the meeting which organized the Upper Peninsula Committee on Area Problems (UPCAP — now the U.P. Committee on Area Progress) and Vanlerberghe was its first secretary. It was founded by the U.P. boards of supervisors to promote the area's economy.

Vanlerberghe was president of Region 10 (U.P.) of the Michigan Municipal League when UPCAP was formed.

He was born in Escanaba, Feb. 3, 1914 son of Mr. and Mrs. Elair Vanlerberghe. His father was a master mechanic of the Delta County Road Commission "practically from its inception." After graduation from Escanaba High School in 1933 Vanlerberghe worked at

Harold Vanlerberghe

many trades including welding and especially in construction. He was grade boss for Herman Holmes Construction Co. of Crystal Falls one month after joining the organization because of his knowledge of construction equipment. Later he was an owner of construction equipment.

## Joins Mead In 1940

He went from construction to the office of the National Biscuit Co. in Escanaba and then to the Escanaba Division of Mead Corp. in 1940 as a mill worker. Eighteen months later he was an assistant to the traffic manager and a year later he was traffic manager, a position he still holds. He has also served in Mead's accounting department.

He's a member of the executive committee of the Midwest Shippers Advisory Board of Chicago and has served in many shipper advisory seminars and is the U.P. deputy chief of emergency transport of the Michigan Public Service Commission Emergency Transport Board.

His interest in civic affairs started in school days and has been active through his life. He has been president of the Escanaba Chamber of Commerce and so devoted to its interests that he used a vacation to give two full weeks to Chamber leadership and launching its successful tourist promotion program.

## Champion Attender

He was elected to the Escanaba city council in 1952 and again in 1954 and became mayor that year. He still is serving on the council and is chairman protem of the Delta County Board of Supervisors. He's secretary of the Delta County Planning Commission, was Delta County chairman of Michigan Week in 1960 and is a charter member of the Bay

de Noc Toastmasters Club.

"I don't think there's any question in anyone's mind about my being the champion in attending public meetings across the Upper Peninsula," said Vanlerberghe humorously. "I've always had a desire to do something for the Upper Peninsula. I want to see things go and I have a strong feeling that within the next decade the area will move ahead economically. I think the people have a good future here, but it is going to take leadership and diplomacy to achieve it."

"I would be just as interested in the problems below the Straits (the 37th has Lower Peninsula counties) as those above in. I think it's a natural to tie the two together. We in the U.P. are just as anxious, for instance, to save railroad transportation at the Mackinac Gateway as the counties in the top of the Lower Peninsula." (Vanlerberghe represented the Michigan Municipal League in the recent rail hearing at Cheboygan.)

## "Walking Chamber"

Blond, graying, blue-eyed and 6 feet 4 inches tall, Vanlerberghe says he's the "shortie" of his family. He and his wife, Rosemary, a native Escanaban, have four sons and two daughters. Two sons are in college, Jim a senior at Northern Michigan University; Dennis at Bay de Noc College and John is in the Army at Fort Knox, Ky.

"I'm a poor loser," said Vanlerberghe and I plan to devote a month to campaigning. I do it because I want to. I've never turned down a request to tell people about Escanaba or the Upper Peninsula and I'll carry this attitude into the campaign. I've been called a walking Chamber of Commerce for the Upper Peninsula and I welcome the description and try to make it true.

"The fact that Governor Romney is running is one of the reasons for my decision to run for the Senate. Michigan will move ahead with George Romney. I look forward to see him not only as our next governor, but as a future President."

Also in the Republican race in the 37th District are incumbent Senators Kent T. Lundgren of Menominee and Thomas Schweigert of Petoskey.

## Candidates:

# Delta To Have Only 1 Contest

Delta County Democratic incumbents in county offices have no primary election opposition and only one contest is shaping up for the general election to be held in November.

This was revealed after the filing deadline for candidates ended Tuesday afternoon at the office of County Clerk William Butler.

Only one Republican candi-

ate has filed: Eugene Slagstad of Ford River, for the office of county treasurer. Slagstad was defeated for the office two years ago.

The Democratic party's local slate of candidates, all incumbents, includes:

Nicholas P. Chapekis, prosecuting attorney; Clarence "Cully" Johnson, sheriff.

William Butler, county clerk and register of deeds; Ann Villeneuve, treasurer.

Probate Judge Marie Peters is seeking a third term on the non-partisan ballot. She also is unopposed.

There is no county contest for nomination in the primary election to be held Sept. 1.

The general election will be held Nov. 3 and with exception of the contest for county treasurer the county candidates will be elected without opposition on the ballot.

## Ensign Township Officers File For Election

Ensign Township nominating petitions were filed Tuesday with County Clerk William E. Butler. The only township officer not seeking reelection is Mrs. Barbara Norlander, treasurer. The Michigan primary election will be held Sept. 1 and the general election is Nov. 3.

Those filing included: for supervisor, incumbent Harold J. Gustafson and Stanley Dominick; for clerk, incumbent Mrs. Wallace (Linnea) Lindquist, unopposed; treasurer, Mrs. Michael (Carol Jean) Majestic and trustee incumbent Everett Johnston, unopposed.

## K. Of C. Holds District Meet

The annual district meeting of District No. 3 of the Michigan State Council, Knights of Columbus, was held in the Escanaba Council No. 640 Clubrooms in the Sherman Hotel building Tuesday evening.

Alphonse J. Chaltry, district deputy of District No. 3 was in charge of the meeting which was attended by officers of the Munising, Manistique and Escanaba Councils.

Also in attendance was John A. Matthews, State Catholic Activities chairman of the Michigan State Council, Knights of Columbus.

## Briefly Told

Class members of Escanaba High School 1944 graduates are asked to confirm unpaid reservations by Monday, July 27. The 20-year reunion will be held Saturday, August 1 at the Dells Supper Club and reservations can be confirmed by calling Joyce or Jim Hall at either ST 6-2210 or ST 6-0764.

Don Jacobs, Escanaba log biter who is a member of a show at the New York World's Fair will be seen in the show on television in the "Today" show on July 24.

Applications for marriage licenses have been made at the office of the Delta County clerk by Orval Dal Lancer, Rock Rte. 1, and Joyce Elaine Lund, Rock Rte. 1; Jan David LeDuc, Manistique Rte. 1, and Jewell Louise Wojakowski, Bark River Rte. 1.

An immunization clinic will be held in the Health Department of the Delta County Building Thursday from 2 to 4 p. m. instead of Friday.

Delta County Sheriff's officers investigated a mishap involving a car pulling a house trailer on US 2-41 at Pine Ridge. The driver of the car, Chester Zents of Strongsville, Ohio, reported that the trailer jack-knifed and overturned about 10:30 a. m. Tuesday. No one was injured.

Delta County Sportsmen's Club will hold trap and skeet shooting Thursday from 6 p. m. until dusk at the club house grounds. The public is invited.

## Driver Ticketed Following Mishap

Duane Kasbohm, 16 of Star Route Perryville, was ticketed by Delta County Sheriff's officers for violation of the basic speed law, too fast for conditions, following a collision that happened one quarter mile west of Schaffer on County Road 535 at 1:45 p. m. Tuesday.

Kasbohm was traveling behind a car driven by Gary St. John, 18, of Schaffer and as St. John slowed down to make a left turn Kasbohm struck the rear of his car.

## Hospital

Mrs. Otto Perket of 1511 Lynn, Marquette, will enter St. Mary's Hospital for surgery. The Perket's formerly resided at 920 Lake Shore Drive, Escanaba, before moving to Marquette.

Richard Pepin of 822 N. 19th St., who has been a patient at St. Francis Hospital in Escanaba, is now a patient at St. Luke's Hospital, Marquette, Room 214.

SIDEWALK DAY in Escanaba brought out crowds of shoppers in the downtown area. The event continues through the evening until 9 p.m. There were thousands of shoppers on the street this afternoon, lured by the special sales event and encouraged by sunny weather. (Daily Press Photo)

## Gala Sale On Until 9 P. M.

Escanaba's gala Sidewalk Day event is in full swing today and will end tonight at 9, following a downtown band concert among other attractions.

Visitors have thronged Ludington Street in the downtown area throughout the afternoon in response to the promotion sponsored by the retailers.

The Escanaba City Band will play marches and other popular music tonight beginning at 7:30 for the Sidewalk Day program, moving from Ludington and 14th St. eastward and stopping for a time in each block, said Director Cecil Collins.

On Thursday night the City Band will present a concert at Rose Park starting at 7:30.

## Freiberg Takes Executive Post With Boy Scouts

Carl L. Freiberg of Garden, formerly manager of Fayette State Park, has been named district executive of the Kettle Moraine Boy Scout Council.

He will attend the 259th National Training School for Scout executives at Mendham, N. J., later this month. Mr. and Mrs. Freiberg and son, Jack, will reside in New Holstein, Wis.

The Kettles Northwest District of the Boy Scouts is composed of 12 Wisconsin communities.

An Eagle Scout, Freiberg has served as scoutmaster in Manistique and Bay City; is a graduate of Detroit High School and Michigan State University with a bachelor of science degree; and served in the U. S. Navy.

Before his marriage to the former Margaret LaSalle of Garden he was assistant manager and ski instructor at Porcupine Mountain State Park, and was manager of the Fayette State Park for the Department of Conservation.

## Peninsula Potpourri

**IRON MOUNTAIN**—Mrs. Mary Jane Thomas of Iron Mountain, age 103 and believed to be the oldest resident in the Upper Peninsula of Michigan, died at 11:30 a. m. Sunday at the Freeman Convalescent Home in Iron Mountain, where she had resided for the past 14 years. Mrs. Thomas was born Dec. 18, 1860, in Curry Cross Lanes, near Helston, Cornwall, England, the daughter of Mr. and Mrs. Henry Hodge.

**MARINETTE** — The \$2,800,000 oceanographic research ship Thomas G. Thompson, officially designated as AGOR-9, slipped into Menominee River harbor at 10:55 a. m. Saturday, the first christening of a vessel at Marinette Marine Corporation shipyards since World War II.

The 209-foot Thompson, with a draft of 14 feet, will now remain at Marinette Marine Corporation yards for final fitting out that will take until 1965.

**MARQUETTE** — The Most Rev. Thomas L. Noa, D. D., bishop of the Catholic Diocese

of Marquette, last week offered the first Mass in the Catholic wing of the chapel at the Marquette State Prison.

The chapel was dedicated on June 18 by Gov. George Romney. Those ceremonies were attended by a large number of Catholic and Protestant clergy from the area.

Named the John W. Rice Chapel, after the late John Rice of Houghton, publisher and member of the Michigan Corrections Commission, the chapel contains a Protestant wing, which seats 125 persons; a Catholic wing, which seats 80, and space for Jewish services and offices for the chaplains.

Oliver Evans predicted in 1812 that, before long, "carriages propelled by steam" will be in general use.

# What a grand time we had

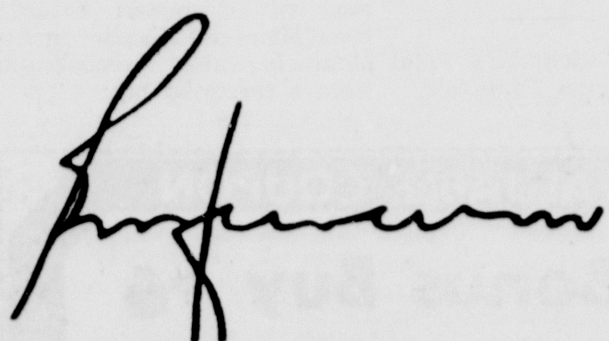

It's too bad a centennial celebration happens only every hundred years. Especially when it is as interesting, as much fun, and as beautifully planned and executed as your Ore Centennial in Escanaba. You really did it up right.

And we all enjoyed it.

Now it's time to extend our thanks and appreciation to the citizens of Escanaba, to city and state officials, to the business and industrial firms—in short to everyone who participated in the Centennial and who offered such genuine hospitality to all of us.

One more thing: your warm and generous recognition of the North Western will always be remembered.

Thanks, again, for inviting us to Escanaba and for showing us such a grand time.

## The new Chicago and North Western Railway

ENJOYING THE entertainment and relaxing at the cocktail party are these U.P. women golfers who have been competing in the U.P. Women's Golf Tournament at the Escanaba Country Club. The cocktail party was held Tuesday night and a local combo, The Nomads, furnished popular music for the affair. A group of women golfers also did a pantomime on the

Beatles as part of the program. Tonight's activities include the annual banquet at 6:30 and a hootenanny. The golfers are (from left) Kate La-Brasseur, Manistique, Helen Voisine, Manistique, Marilyn Knoll, Escanaba, Martha Cox, Houghton and Bette Fleming, Houghton. (Daily Press Photo)

## Cocktail Party Hosts 'Beatles' And Nomads

The Escanaba Country Club was host to the U. P. Women Golfers Tuesday evening at a cocktail party. The visitors were entertained by a pantomime performance of the Beatles, performed to recordings. The "Beatles," Betty Bennett, Iren Hogan, DeDe Bonifas and Carol Lepisto, provided laugh-filled entertainment with their take-off on the popular British recording stars.

A local combo, The Nomads, delighted the ladies with rock and roll songs and ballads. The musicians are four Holy Name High School students, Mike Le-

Mire, drums, Tony Romaine, singer and guitar and Hank and Corby Mroczkowski of Bark River. The performance was labeled "professional" and they were enthusiastically applauded.

In golfing activities in the afternoon Gloria Hansley of Escanaba came from five down to win her match from last year's champion, Alma Myers of Sault Ste. Marie, Mich. Mrs. Hansley was one up in 19 holes.

This sensational finish caused much excitement and a gallery of women golfers and men members of the Golf Club followed the match to the last hole. Semi-final matches are being played today.

Tonight's social activities will include the annual banquet and dinner will be served at 6:30 at the club. Entertainment this evening will be a hootenanny, directed by Claire Garrard and Helen Moore. Mrs. Garrard and Marge LeMire have composed comic golf lyrics to popular tunes for group singing.

The U. P. Tournament will close Thursday with final matches in the morning and the Championship match in the afternoon.

## Rebekah Lodge Will Host Dinner For Visitors

A bus load of high school students from Wisconsin, South Dakota, and Ontario are on their way from the United Nations Pilgrimage for Youth today. They will be entertained by the Rebekahs at the lodge hall and will be served a 6:30 p.m. supper.

The young people are a contingent of the nearly 1200 high school students taking part in the 15th annual "United Nations Pilgrimage for Youth" sponsored by the Odd Fellows and Rebekahs of America. While in New York the students have opportunity to observe the United Nations in action.

Time is given while in New York for the young people to have various educational experiences in the great metropolis and to do some of the things attractive to sight-seers. This year, a day at the New York World's Fair offers a fascinating side-light.

The students taking part in the UN Pilgrimage for Youth are generally selected by competition from sophomores or juniors in high school. They vie with one another through examinations, interviews, and public speaking contests. The winning award includes the paying by the Odd Fellows and Rebekah Lodges of a town, district, or state, of the expenses while in New York and the cost of the bus tour that takes them to New York and home again.

The visiting bus tour group is scheduled to arrive in Escanaba about 6:15 P. M., according to Mrs. Donna Peterson, Noble Grand of the Phoebe Rebekah Lodge 179 which is entertaining the visitors. They will be served with a supper at the lodge hall before proceeding to Marinette, Wis., enroute home. Mrs. Victor Peterson is supper chairman.

Another Educational Bus Tour will be served supper on August 5 with Rebekahs as hostesses again. Mrs. Roy Swanson will be supper chairman. Director is Mr. John Montgomery of Brookings, Oregon and there will be 40 in this group. This includes students from Oregon, Idaho and Utah and they will be enroute home, coming from Sault Ste. Marie, Mich., going on to Yellowstone Park and Idaho.

## Powers-Spalding

Mr. and Mrs. Ray Borden and family of Milwaukee visited with relatives and friends in Powers-Spalding, Stephenson and Escanaba for the past two weeks.

Mr. and Mrs. Bruce Kell and children of Tucson, Ariz., returned Monday to their home after a week's visit at the Oscar Kell home in Wilson.

Mr. and Mrs. Robert Johnson and family of Beloit, Wis., are visiting with Mrs. Eva Hansen. They were called here by the death of Mr. Johnson's father in Stephenson.

Mr. and Mrs. Clarence Veraghen and children of Dearborn Heights are visiting at the Walter Veraghen, and Lloyd Trombley homes. Mrs. Rube Perket of Neenah, Wis. is also a visitor at the Trombley home.

Mrs. Harry (Ardelle) Johnson was dismissed Saturday from Memorial Hospital in Iron Mountain after recuperating from a fractured hip.

## Gladstone Church Plans Social Thursday Night

The Covenant Women of the Evangelical Covenant Church of Gladstone are planning an ice cream social that will be held on the lawn of Dr. and Mrs. Carl J. Olson, 619 Minneapolis Ave. at 7:30 p. m. Thursday.

Program for the evening will include devotions by Rev. Albert K. Boms; a duet by Albert Erickson and James Hage; a talk by Rev. Reuben Carlson, pastor of the First Lutheran Church and group singing accompanied by Mr. Erickson.

Refreshments will follow the program and members and friends are invited to attend. In the event of rain, the social will be held in the church parlors.

Members are reminded to bring tables, cloths and sugar and creamers.

Schaawe Lake on the Stonington Peninsula was named for a pioneer.

The Escanaba Carnegie Public Library, in its continuing plan of providing complete library service to all Escanaba residents, recently became the second public library in the Upper Peninsula to offer television, announces Harry Courtwright, library director.

"Of the 27 public libraries in the Upper Peninsula, only the Peter White Library in Marquette and now the Escanaba Library have television available to the general public," Courtwright said.

"Due to the recent Republican convention and the upcoming Democratic convention, it appeared that the library, by acquiring cable television, could furnish a valuable service by making the viewing of these events available to many residents without television," said Courtwright. "Also, many special shows, as well as educational programs, now can be viewed by the general public in the library's meeting room. Organizations can make arrangements to use the facilities for special meetings."

"The Delta TV Cable Co. has installed the cable without charge as a service to the community and the Herro Electric Co. has provided the temporary use of a portable television."

"All residents of Escanaba are urged to visit the library and use this new service which has been made available at no cost to the taxpayer due to the civic mindedness of several local businesses, Courtwright said."

## Grapefruit and Lobster

By GAYNOR MADDOX  
Newspaper Enterprise Assn.

Here is a cool, attractive luncheon dish—or hot weather dinner treat—which is refreshing and satisfying. It's grapefruit shells filled with cubes of grapefruit and lobster tails.

Edward Zwaaf, director of New York's Brasserie restaurant in the Seagram building, served it to us the other night. With the first taste, we knew you would want the recipe.

Our host used pale pink grapefruit and his special Brasserie Sauce.

**Pink Grapefruit With Lobster**

Tails Brasserie (serves 6)  
6 frozen South African rock lobster tails  
3 grapefruits

Place solidly frozen lobster tails into large kettle of salted cold water to cover. Slowly bring to boil. Then simmer for 3 minutes. Drain lobster tails; cut away thin underside membrane with scissors. Remove meat from shells. Cut meat into 1-inch cubes. Refrigerate until ready to use.

Cut grapefruit in half. Remove all sections, free from pulp and cut into squares. Keep grapefruit shell intact. Refrigerate sections and shell until ready to use.

**Sauce**

1/4 cup cocktail sauce  
2 cups mayonnaise  
Dash Tabasco

2 teaspoons chopped, fresh chervil  
3 tablespoons unsweetened whipped cream

Combine cocktail sauce with mayonnaise, Tabasco and chervil. Mix lobster pieces with sauce gently and refrigerate until ready to use. Just before serving, remove from refrigerator and add the whipped cream. Carefully add the grapefruit pieces to avoid breakage. Toss gently and pile the mixture into the chilled grapefruit shells. Top each with a liberal sprinkling of chopped chervil. Serve immediately on crushed ice.

## Scouters Will Hear Dr. Forbes At Council Camp

Executive and Advisory Boards of the Hiawathaland Council, Boy Scouts of America will meet at Camp Red Buck Saturday at 3 p. m. says Burton Boyum, Negaunee, Council president.

Dr. Anthony Forbes, head of the History Department at Northern Michigan University will speak on "Strengthening America's Heritage" which is the summer-long program of the Cubs, Scouts and Explorers.

Dr. Forbes joined Northern last Fall. A native New Yorker, he served as Scoutmaster in Brooklyn during the years he was an attorney there. He received his doctorate at UCLA and has done graduate work at Princeton University, Colorado University, and the Brooklyn School of Law.

Boyum said the business gathering would decide on income and expenditures of the Council and its influence on the professional and clerical help.

The camp session, now in its fourth week and ending Aug. 15 is headed for its biggest year with an estimated 800 different campers plus their leaders attending this summer. The Council now has 56 scouts and six leaders attending the National Jamboree at Valley Forge.

## Judge Peters At Probate Meeting

HARBOR SPRINGS, Mich.—The 68th annual convention of the Michigan Probate and Juvenile Court Judges Association was held here July 20-22.

Of particular concern to the judges were the laws passed by the Legislature this year concerning mental health and delinquent and neglected children. Although Michigan's facilities have been greatly expanded in recent years, the courts still must struggle with waiting lists at many types of institutions.

Among those attending was Judge Marie D. Peters of Escanaba.

## Rebels In Burma Form Alliance

RANGOON, Burma (AP)—Burma's feuding Communist rebel factions have agreed to form an alliance in the face of heavy mauling by government troops, reports reaching Rangoon said today.

Elements of the Karen rebels, one of the five major insurrectionist groups in Burma, already have aligned themselves with the Communists.

Press reports said the Red Flag, or Trotskyite Communists, and the White Flag, or Peking-leaning Communists, made a deal that would unite their combined guerrilla following of 3,000.

## Lansing Office Contracts Let

LANSING (AP) — Contracts for the first phase of a proposed \$35 million complex of new state office buildings in Lansing were approved Tuesday by the State Administrative Board.

Work is expected to start early next month on an off-street underground parking garage and foundations for a new state revenue building and seven-story general office building in a four-block area west of the Capitol building.

Low bidders included: General Contract, Erickson & Lindstrom Construction Co., Flint, \$3,924,444; mechanical, Spitzley Co., Lansing, \$462,850; electrical, Lansing Electric Motors, Lansing, \$331,134; fire protection equipment, Grinnell Co., Inc., Detroit, \$273,980.

L. W. Edison Co., of Grand Rapids, was approved as the low bidder, at \$443,158, for construction of a new northwest-southeast runway at the Lansing Capitol City Airport.

Christman Co., of Lansing, was approved as the low bidder, at \$614,560, for foundations and structural steel work on the new Michigan State University power plant.

## Two Old Cats Live On Income From \$435,000

LA JOLLA, Calif. (AP)—Two aging cats are living a life of ease in a \$35,000 home, their future secure.

They were assured of the continuing income from a \$435,000 trust when the will of the late Dr. William W. Grier was given final approval in San Diego Superior Court Tuesday.

The cats are Brownie, 15 years old, and Helicat, 14.

Dr. Grier who died June 2, 1963, named four cats as heirs in his will, but two died before he did.

Mrs. Avila Horn who is taking care of Brownie and Helicat, said they eat the best, but it only costs about \$10 a week.

## Fishermen Float In Sea 17 Hours

ALICANTE, Spain (AP)—Five fishermen who were saved from the sea after floating in lifebelts for 17 hours said they accidentally sank their fishing vessel.

When motor trouble developed at sea, they fired a distress rocket. The rocket misfired and tore a hole in the side of the boat. The five were picked up by other fishing vessels.

## Drinking Friends Dead In Lansing Double Stabbing

LANSING (AP)—Two friends, seen drinking together Tuesday night, were found dead today, both stabbed through the heart in an apparent double murder, Lansing police report.

The victims were Charles Upshaw, 53, and Mansfield Newson, 46, of Lansing, both Negroes.

Lt. Edward Price, of the Lansing detective bureau, said Mrs. Anne Noble, who lived at the same rooming house, said the men were laughing and talking while drinking together when she left the house Tuesday evening. She found them dead in a bedroom when she returned shortly after midnight, Price said.

Price said both men were stabbed through the heart, in about the same place, and must have died instantly. A hunting knife was lying on the floor beside Upshaw and a butcher knife was found near Newson, Price said.

# Brooklyn Has Night Of Riots

NEW YORK (AP) — Racial violence and widespread looting broke out in Brooklyn's Negro section throughout the night. Police bullets critically wounded two Negroes.

Harlem, meanwhile, had its first relatively quiet night in four days.

In Brooklyn's Bedford-Stuyvesant section police fired at looters. Dozens of store windows were broken.

About two dozen persons were arrested.

On orders from President Johnson, FBI agents began an investigation of the disturbances. Mayor Robert F. Wagner was back from a European vacation trip he cut short because of the violence.

Acting Mayor Paul R. Screvane said the Harlem disorders had been incited in part by "fringe groups, including the Communist party."

He suggested that the FBI agents might investigate the source of money for some street rallies and for some of the "very inflammatory anti-American and seditious statements."

Wagner said he would look into the report of Communist influence. He said he did not believe federal troops or the National Guard would be needed to preserve order.

## Chiropractors Of Michigan To Meet At Iron Mountain

The second annual educational conference of the Michigan State Chiropractic Association will be held at Iron Mountain July 24-26.

Attending from this area will be Dr. and Mrs. A. C. Kinnie of Gladstone, Dr. and Mrs. C. H. Norelius and Dr. and Mrs. G. H. Bast of Escanaba.

Iron Mountain Mayor Jack Gingrass will welcome the convention Friday afternoon. The principal speaker will be Dr. J. J. Janse, president, National College of Chiropractic, Lombard, Ill., who will discuss "Chiropractic Orthopedics." Insurance executives and industrial heads of compensation have been invited to hear Dr. Janse speak on "Chiropractic Care in Insurance Cases."

Invited insurance personnel will be guests at the question and answer and refreshment period from 3 to 6 on Saturday.

Dr. Miles Gingrich, Ironwood, is District Five president; Dr. B. Franks of Iron Mountain is vice president; and Dr. C. J. Norelius of Escanaba is secretary-treasurer.

## Chips And Splinters

**Contributions To Chips Welcomed**

The Herman Palmgrens of Bark River enjoyed the Michigan State Fire Chiefs Conference in Grand Rapids last week, however, the trip home met with what might be termed a "slight calamity." They spent Friday night at their hunting camp at Watson and the next morning discovered that a porcupine had made himself a lunch on the flexible brake line to the right front wheel on the car. The porcupine didn't need those brakes as badly as the Palmgrens did and consequently the journey home was delayed until the brakes were repaired.

## Prisoner Pulls Zip Gun; Shot

STANTON (AP)—A Montcalm County Sheriff's deputy shot and wounded a prisoner Tuesday after, officers said, the prisoner pulled a homemade zip gun on two other deputies.

James Dickerson, 23, of Morley was shot, deputies said. He was sentenced Monday to three to four years for felonious assault.

Deputies said Dickerson was being removed from his cell for transfer to Southern Michigan Prison at Jackson when he drew a homemade gun and ordered Deputies Harold Guthrie and Henry Ruinooze to stand against a wall.

Officers said Deputy Tony Morlock saw the incident and fired one shot at Dickerson through a half-open doorway. Dickerson was hospitalized in Greenville.

More people get more news from newspapers than from all other sources combined.

## Space Vehicle Tests Payload

CAPE KENNEDY, Fla. (AP)—A delta-winged spacecraft successfully rocketed over a scorching 12,000-mile-an-hour ballistic course today on a flight intended to test materials for maneuverable manned space vehicles.

The sleek black payload was propelled skyward by a two-stage Thor-Delta rocket which blasted away from Cape Kennedy at 10:39 a.m. (EST).

The craft darted to an altitude of about 40 miles and then screamed back through the atmosphere to a landing in the Atlantic Ocean after a 25-minute flight.

The Air Force reported an aircraft had spotted the vehicle in the water just 15 miles short of its intended target. Recovery forces moved toward the area.

## Palmgrens Return From Conference

BARK RIVER—Mr. and Mrs. Herman Palmgren returned Saturday from a week's trip to Lower Michigan where the former attended the four day Michigan State Fire Chiefs Conference held in the Pantlind Hotel in Grand Rapids July 12-15.

Palmgren was the only Upper Peninsula Fire Chief at the Conference.

Palmgren reports that fire departments will endeavor to render services which will relieve the pressure on fire marshals due to the curtailment of man-power and increased demands for service.

Some of the more important resolutions submitted were: closed fill for bulk trucks; fire proof doors with latches for motels and sprinkler systems be required for nursing homes. The Auxiliary ladies program included a trip to John Ball Park and other forms of entertainment.

## Bay Cliff Aids Handicapped; Needs Support

Schoolcraft County is staging a "big show" Saturday, Aug. 8, to raise money for the Bay Cliff Health Camp, where the county now has six youngsters among 167 receiving treatment and rehabilitation care for various types of handicap.

The camp is beginning its 33rd year, and in recent years has operated on private support, since Couzens Fund and other grants have expired.

The Schoolcraft Aug. 8 fund-raising "Hootenanny" is scheduled at the armory. A children's march Aug. 1 is also planned.

Last week, a group of four Schoolcraft persons visited Bay Cliff and reported youngsters were receiving excellent care and all seem "very happy" at the camp which opened June 22 and runs until Aug. 2.

Making the trip were Mrs. Samuel Gesko Jr. and Mrs. Helen Genry of Munising, nurses for the Alger-Schoolcraft Health Department, Hilmar Mattson of Munising and Mrs. Clarence Peterson of Manistique.

They report work was under way on a new unit which will replace cabins for dormitory space. Each unit will be self-contained, with cost estimated at \$55,000. Paint is available at the site and the camp will welcome volunteer painters from clubs or private individuals who want to help. Meals will be provided those assisting on the project.

The unit will be completed this fall. Memorial rooms may be purchased by donors, and suitable placards will be installed.

The staff numbers 94 this year. For children able to be up and around, a counselor is provided for each seven. There is one for every four for those

under 5, and one for every two in wheelchairs.

The camp is a summer therapy center for handicapped and underprivileged children, children with orthopedic and cardiac defects, the deaf and hard of hearing, those with speech defects, blind or restricted vision and the malnourished. It is non-denominational and non-profit, and children from every county in the peninsula may attend.

It is located on 169 acres along Lake Superior near Big Bay in Marquette county. It is believed the only facility of its kind in the United States, accepting children with any kind of physical handicap regardless of race, color or creed. It has helped over 5,000 in its years of operation, at no cost to the families of these children.

Founded in 1934, the camp has 45 buildings. It started as a care center for undernourished children, and in the first year 107 received care. In 1938 it began accepting the diabetic, in 1940, polio victims, in 1941, orthopedic children, in 1943, cardiac children, and in 1944, children with speech and hearing difficulties.

Today the gates of Bay Cliff are open to children with any and all kinds of physical handicaps. They are referred by county health nurses, health departments, teachers, social workers. They are 4 to 15, but where there is specific need to refer older or younger children, these will be considered.

Good care, specialized treatment, help in making braces or other articles they may need to compensate for handicap and a healthy atmosphere, are provided at the camp. The program includes speech correction, lip reading, occupational therapy, physical therapy, special diets, classes for the hard of hearing and other therapeutic aids.

The camp reports it costs about \$250 for each child, but this is actually below cost. In addition to the \$40,000 budget, about \$10,000 in labor and materials is contributed annually. John A. Vargo, director reports.

## Inland Shipping Ahead Of '63

Inland Lime and Stone Co. reports by Aug. 1 it will have loaded approximately 200 boats, 50 ahead of a year ago. The season, which opened March 30, began three weeks earlier than last year.

Demand for metallurgical stone by companies was a prime reason for the early opening and also is a factor in the present rate of operations. The demand is a reflection of a high rate of operation in the steel industry.

Shipping is substantially ahead of last year, John W. Moffat, vice president reports.

## Army Worms In Delta Creating Oatfield Crisis

Infestation of oatfields in the Nicholas area by army worms brought a call today from Joseph L. Heirman, Delta County Extension director, for farmer vigilance.

Heirman said his inspections on Tuesday showed that the worms were active in the area. The question now for farmers he said is whether there are enough of the worms in a grain field to warrant spraying to kill them before they destroy the crop.

Heirman said that he did not find enough worms in his inspections on Tuesday to warrant spraying yet, but he urged all farmers to keep very close watch on their fields and if spraying is warranted to be sure to use the proper sprays in the proper amounts.

He said that he would notify all farm supply businesses selling insecticides about proper chemicals and formulas and he urged farmers not to use "just any old spray" that would kill the worms. The grain is heading, he said and insecticides like DDT should not be used because they leave a residue which can be harmful.

He said that Dieldrin and Toxifene were recommended to kill army worms and urged dealers to consult him on dosages.

The army worm has infected Delta grainfields before and has ravaged areas downstate. It tends to create panic when the worms erupt but Heirman urged farmers not to spray, because the grain is so advanced, unless it is necessary. Tractors

must be used and they run down a lot of grain at this stage.

Most of the worms found by Heirman were feeding on bottom leaves and the grain is not in the ultra green and succulent stage which nourishes speedy worm growth. It is when the worms attack the heads of the grain that they become dangerous.

The worms could mean the destruction of Delta's grain crop in a few days if they increased rapidly in numbers. The county grows about 15,000 acres of oats yearly, with a value of about \$750,000. It is the chief grain of the dairy ration and if farmers had to buy it in event of a crop loss it would cause a dairy farming loss for the year.

Army worms are moths as adults. They lay eggs which hatch into tiny worms which are ravenous eaters on lush vegetation and which grow to pencil thickness and a length of an inch and a half. They then enter a pupa state and stay in the ground over winter and emerge the next year as moths to renew the cycle.

## Home Supply Will Modernize

Work has started on extensive remodeling of the Home Supply Co.'s big home furnishings store at 101-3 Ludington St., announces John Boyle, the owner.

The work starting this week will give the store building a new face which will permit much more effective display of furniture, said Boyle, and will also modernize the interior, including the stairway and the basement department of the store, which displays its bedroom furniture, bedding, juvenile furniture, dinettes and maple furniture in its Colonial Room. The basement department is even larger than the street floor of the store and the stairway to it will be widened and redecorated.

"We want it to be attractive,"

said Boyle of the stairway, "not just a shaft into the basement store."

The front of the store will get a new building-wide sign with the firm's name and its shops — furniture, appliances, floor coverings and television.

The street level front will be entirely new, all glazed in aluminum sash that will be on a bias, with a set-deck five feet deep at the door end on the right. The great expanse of clear vision will permit the store to show an entire home room of furniture at once in a window display that will be on the ground floor of the store.

The windows will give a clear view of the interior for window shoppers. A new doorway on the far right of the building will give access to the office suites on the second floor.

The first floor will be carpeted, redesigned for displays and newly lighted. The planning in the modernization is for open spaciousness from the new window treatment throughout. A window on the 11th St. side of the building will be removed and replaced with decorative masonry because it created a sun problem for the store.

Roy Ness has the general contract for the reconstruction and the Ness Glass Co. will supply the new glazing.

Home Supply Co. has been operating in the heart of Escanaba's shopping district under John Boyle's ownership for 28 years.

## Drift To Cities Brings Menace Of Overcrowding

GENEVA (AP)—The population implosion—the mass shift of people from the country to the city—threatens the world with serious overcrowding and health hazards, the World Health Organization says.

It predicted the influx from rural areas will increase as mechanization of agriculture reduces the farm population to only 10 per cent by the end of this century.

The committee of experts said the world population is expected to double by the year 2000 to more than six billion and called the drift to the cities "one of the crucial challenges of our time."

## Police Party Catches Crooks

NEW ORLEANS, La. (AP)—The police gave a party Tuesday night and a crowd of crooks was taken to the cleaners.

The party-goers included a number of persons wanted on charges of shoplifting, narcotics sales and burglaries.

The party—it was actually catered with food and refreshments costing \$104—capped a three-month undercover investigation.

The hosts were detectives Robert N. Frey and George J. Hughes, who three months ago opened a laundry shop just four blocks off busy Canal Street in the heart of the city's commercial district.

Informers passed word to the underworld that Frey, posing as Harry Long, the laundry operator, was a fence—criminal jargon for a man who buys stolen goods.

Police Supt. Joseph I. Giarrusso said Frey and Hughes actually bought \$47,000 in stolen property at a cost of \$11,000 from 53 persons, including several real fences.

Giarrusso, Mayor Victor Schiro, Chief Asst. Dist. Atty. Frank Klein and newsmen gathered at police headquarters Tuesday night to listen over the police radio to the party.

It started at 8 p.m. Frey met his first guest at the door and ushered him to a back room. Other officers handcuffed the guest, who stood staring unhappily at the refreshments as a photograph blared.

Sixteen of Frey's customers showed up. Another 14 uninvited guests came along and police said many were wanted in connection with other cases.

Then Giarrusso ordered sweeping raids on the homes of 10 known fences, where a number of other persons were arrested and a large amount of stolen property was recovered.

By early today, a total of 32 arrests had been made.

Frey said some of his customers brazenly brought large stolen articles such as lawn mowers, stereo sets, and televisions to him in broad daylight.

## In This Corner

with BILL FINLAN  
(Pinchitting For Vacationing Ray Crandall)

Don't be surprised about a year from now if you look out on the lake near the Escanaba Yacht Harbor and you see a "rooster tail" 75 feet high and 200 feet long and it is sailing along about 175 miles an hour. There are people in Escanaba talking about making just such a thing possible. The primary man is James A. Herrington of Detroit. This man says that we could have an annual Regatta in Escanaba and that it would be one of the major attractions for sports fans anywhere in this area.

Herrington is president of the Lapeer Manufacturing company of Mariner and Hacker boats in Detroit. He has a cottage at Forest Lake south of Munising and has been coming to the Upper Peninsula for hunting and fishing for the past 20 years. He owns the "Mariner Too" which is one of the fastest propeller driven boats in the world. If you have heard of the fabulously exciting races on the Detroit River or the races on Puget Sound in Seattle-Tacoma, then you know what type of boat we are talking about. The boat is pictured on this page.

Herrington's boat is 30 feet long, 6200 pounds, has a 12 foot beam and is made of plywood and aluminum. The engine is a Rolls Royce and displaces 1649 cubic inches, while it develops up to 2500 horse power. Herrington says he needs 12 of these big engines to start the season, which consists of 11 races beginning in Alabama on June 25. From there the racers travel with their crews toward Detroit, out to Newton, N.D., where they race next weekend, on out to Seattle, and finally to San Diego where they wrap up the season in October.

The exciting thing about this is that we would have races like this in Escanaba. Being partially an Upper Peninsula man, Herrington says he would like to help promote an annual race here. He claims that if we would have a Regatta here we would have the biggest drawing card of the Upper Peninsula. To get started, a committee would have to be set up to approach the American Power Boat Association. They in turn would come to Escanaba to survey a possible course for the event. The course is usually three miles. From there it would take nearly a year to develop such an event.

To give you some kind of an idea of the enormity of this thing, there is a minimum of \$10,000 in prize money needed for a race. The boats cost about \$100,000 apiece. The small propellers sell for \$900. Herrington keeps a fulltime driver, who is a retired colonel of the air force. He also has a crew chief and a number of mechanics to work in the pits, and to work year-round keeping the big Rolls Royce engines in shape. You ask if such an expensive venture is possible in Escanaba? Well, they are racing in Newtown, North Dakota next week and that is a town outside of Minot. Sounds like a small town doesn't it. They are looking for 50,000 to 60,000 spectators. See you at the races next year.

## Detroit Lions Make Changes

BLOOMFIELD HILLS (AP)—Detroit Lions Coach George Wilson made two changes Tuesday as his team went through its first day of practice.

Dan LaRose, a starting offensive guard and tackle for the past two years, has been shifted to defensive end.

Jim Simon, starting his second year with the club, was moved from a defensive end position to the offensive line. He'll play either guard or tackle.

At 24, LaRose will be the youngest defensive end on the squad. He was an outstanding end at Missouri but has not played the position, either on offense or defense, in three previous seasons with the team.

Simon was used briefly in his rookie year last season. A total of 25 rookies and 26 veterans practiced Tuesday with the temperature in the high 80s.

Wilson and his staff will conduct two-a-day practices all week at the Cranbrook School. The remainder of the Lions veterans are scheduled to report Sunday.

## Lady Sets Record In Distance Swim

ATLANTIC CITY, N.J. (AP)—Marty Sinn of Ann Arbor, Mich., finishing seventh, turned in the fastest time ever posted by a woman in the 26-mile swim around Absecon Island on the southwest Jersey coast Tuesday.

Miss Sinn, 21, winning \$1000, swam the distance in 10 hours, 37 minutes, 15 seconds. She won \$200 for seventh place and \$800 for being the first woman to finish.

Herman Willemse of Holland, 30-year-old school teacher, won the race and \$5,000 in prize money. He was timed in 10 hours, 8 minutes, 15 seconds.

TAKE A CLOSE look at this craft, because you might have a chance to see it in a "Regatta" in Escanaba next year. The boat will race in the Gold Cup Races in Seattle-Tacoma later this summer. The owner is James A. Herrington, who was in town most of this week. Herrington says there is a good chance that Escanaba could have high speed boat racing (they hit up to 175 mph) in Escanaba, considering the protected harbor area here. (Daily Press Photo)

## Finals Tomorrow

# Hansley Beats Myers In UP Women's Tourney

Upper Peninsula women golfers went into their third day of tournament action at the Escanaba Country Club today in the aftermath of an exciting 18 holes of golf between Gloria Hansley and Alma Myers yesterday.

Gloria of the Escanaba Country Club, dug herself out of a deep hole yesterday and came

back to beat defending U. P. champion Alma Myers one up in the 19th in sudden death play.

Myers had taken an early lead yesterday and was four up on Hansley after nine holes. From there Gloria took the 10th hole 6-7, tied the 11th hole, and Myers took the 12th 3-3 to go four up again. Gloria took the

13th 5-6 and tied the 14th to stay three down. On the 15th Myers had to make a pickup and she conceded the hole to make Hansley two down. They tied the 16th and Hansley gained another notch on the 17th by taking it 6-7. In the final hole, the 18th, Hansley squeezed out a 5-6 to tie the match and they had to go into sudden death play. Hansley took that one 5-6 and the match was hers. The two girls had quite a gallery of fans during the last few holes of play.

After today's play, golfers left in the tourney will be in the semifinals in the championship and first flights. The fourth day of the tournaments will begin at 8 a. m. and the final rounds for the U. P. Championship will begin some time around 1:30 tomorrow afternoon. The two finalists will be the only golfers left in tournament play, as all other tourney flights will have been completed shortly after noon.

The champion or tournament winner and the winners of each flight will receive trophies at the Awards Banquet tomorrow evening at the Escanaba Country Club.

# Cubs Win Again, Are Contenders

By The Associated Press

Billy Williams hit a two-strike pitch for a two-run homer that provided the Chicago Cubs with the runs they needed to whip San Francisco 2-1 Tuesday night.

Williams' homer, his 23rd, made the Cubs the latest entry in the National League pennant sweepstakes as they climbed over the .500 level with their fourth straight victory and eighth in 10 games, moving into contending position 7½ games off the pace.

The Giants, meanwhile, continued their skid, losing their seventh in the last nine games and falling a full-game behind front-running Philadelphia. The Phillies, also struggling, defeated Milwaukee 6-3 for only their fifth victory in the last 14 games.

Elsewhere, the New York Mets dropped third-place Cincinnati 3½ games by beating the Reds 4-2. Pittsburgh rode Jerry Lynch's grand slam homer to an 8-4 victory over St. Louis and Houston edged the Los Angeles Dodgers 1-0 on Al Spangler's homer.

The Cubs struck in the fourth against Gaylord Perry, now 7-7, when former Giant Joe Amalfitano doubled and Williams followed with his homer. That gave Bob Buhl his 12th victory against five losses although he needed relief help from Bobby Shantz and Don Elston.

The Giants scored in the sixth when Hal Lanier tripled and came home on a wild pitch by Buhl, but Elston cut off their last threat, getting Jim Davenport and Chuck Hiller on soft flies with the bases loaded in the ninth.

Bobby Wine drove in two runs with a homer and single, Tony Taylor also homered and rookie Richie Allen stroked three hits as the Phillies slowed the Braves, who had won eight of 10 and 16 of their last 22.

Art Mahaffey, 9-4, started for Philadelphia but needed Jack Baldschun's relief help when the Braves loaded the bases with one out in eighth and the Phillies leading only 4-2. Baldschun got Hank Aaron to hit into a force play, then retired Joe Torre on a tap in front of the plate.

The Mets made it four straight victories over the Reds as Larry Elliot hit a bases-empty homer off Joey Jay, 4-8, in the second and walked before Jesse Gonder homered in the fourth.

The victory went to Bill Wakefield, who pitched 5½ innings of two-hit relief after the Reds chased Tracy Stallard with two fourth inning runs on a pair of walks and singles by Devon Johnson and Gordy Coleman.

## Babe Ruth

Kiwanis defeated Insurance 10-6 in action last night. The winning pitcher was John Way, who allowed two hits while fanning 13 and walking five. Lee Rabitaille took the loss. He allowed nine hits and struck out five while walking seven Kiwanis batters. John Way had a no hitter in the previous game and added six more hits in this game to extend his no-hit string to 13 innings. Big stickers for Kiwanis was Way with three hits and Steve Michetnac and Greg Johnson with two each.

Lynch smashed his grand slam off Ron Taylor in a five-run fifth inning that gave the Pirates more than enough to beat the Cardinals. Taylor took over for starter and loser Ray Sadecki, 10-8, after rain delayed the game 81 minutes.

Joe Gibbon, 7-3, needed relief help to win it after Mike Shannon hit a three-run homer for the Cardinals in the eighth.

Spangler's leadoff homer in the eighth broke up a pitchers' duel between the Colts' Bob Bruce and Don Drysdale of the Dodgers.

Bruce kept nine hits well spaced and stranded four Dodgers on third base as he brought his record to 11-4 with his fourth straight victory. Drysdale, 12-9, allowed only five hits.

**Meat 1 Beaten By Bero 2-1; Hamms Wins**

What most softball fans expected to be a routine after-the-tourney game turned out to be a thriller last night at Memorial field when Bero Motors got past Meat No. 1 by a 2-1 score in league action.

Jug Bourdeau and Tod Butler battled it out from the mound during most of the game with no one scoring until the sixth. In the top of that frame Bill Lancer led off for Meat with a single and he went to second on a passed ball. He was nailed trying to swipe third. Then Tod Butler lined one to Ben Yagodzinski at the fence in center. Yagodzinski couldn't hold the ball and it dropped over the fence for a homer, giving Meat a 1-0 lead. Bourdeau slammed the door on Meat men from then on.

In the last of the seventh the Bero team got life when the first man fanned, and then got to second on a dropped fly ball by the center fielder. Fran Gravelle got to first when the shortstop dropped a bloop over the left field line. Yagodzinski scored to tie the game. Butler fanned the next batter and then pinch hitter John Fisher poked a single to center to score Gravelle and Beros had the game in the sack.

Winning pitcher Bourdeau allowed only two hits to Meat batters and he fanned five and walked three. Butler held Bero men to three hits and he whiffed ten Bero hitters.

In the other game Hamms sailed to an easy win over the Teamsters winning 12-1 in five innings. Hamms scored five in the first when Wally Flath and Bob Coriveau walked and Bud Kenneally singled. Roger Lundquist walked to load the bases again and Don Martinau was declared safe on an error, while two more runs scored. Bob Melchoir emptied the bases with another single.

In the fourth Jan Morin poked a homer off loser Dick Breitenbach. Flath and Melchoir each had two for three in the game.

10th 5-6 and tied the 14th to stay three down. On the 15th Myers had to make a pickup and she conceded the hole to make Hansley two down. They tied the 16th and Hansley gained another notch on the 17th by taking it 6-7. In the final hole, the 18th, Hansley squeezed out a 5-6 to tie the match and they had to go into sudden death play. Hansley took that one 5-6 and the match was hers. The two girls had quite a gallery of fans during the last few holes of play.

## Cubs Champs

# Eskey Grabs 10th Title In District Legion Game

Everything is in the books for the 1964 version of the 11th District American Legion Baseball Tournament action, and the Escanaba Cubs once again are the champions. The defending champion Cubs have now made it ten district championships in a row.

It took only four games to turn the trick for the Escanaba youngsters. They began by thumping Manistique 11-4 in the tournament opener, and followed with a 7-2 win over Menominee on Saturday. Sunday morning the Cubbies humbled Hermansville 14-1 to get into the finals.

Menominee had to work up through the loser's bracket to get back at the Cubs after their 7-2 loss to them. They did it by downing Manistique, Hermansville and Stephenson.

Last night's game was not one either coach will be crowing about, as both teams had jitters through most of the game. Escanaba never did get any wood to speak of on the ball, and there were a few shaky spots on the playing field for them. They won 6-5.

Menominee pitcher, Dave Mudrak, let the first three batters for Escanaba score in the first inning on two base knocks and it looked like Escanaba was on its way to a solid win. But the Menominee boys were not to be outdone and they

came out slamming the ball off Schultz in their half of the inning and wound up leading 4-3. Then Schultz shut the door on them, allowing seven hits and one run during the rest of the game. He fanned 13 hitters in gaining the victory.

Center fielder, Jerry Hanson, scored the tying run in the fifth when he led off with a walk, swiped second, and went to third and home on a passed ball and a throwing error by the catcher.

Eskey grabbed two more un-

earned runs in the sixth to go ahead to stay when Ed Gauthier singled as leadoff man. Then Jim Berish attempted a sacrifice and the first sacker fired wide of first. The ball went to right field and Hanson raced around to cross the plate on the error. Berish scored when the Menominee second baseman dropped an easy chance for an out. Escanaba threatened again in the seventh and ninth, but didn't tally.

The 11th District titlists leave Escanaba Saturday morning for a 9:30 game with Ishpeming at Marquette. Ishpeming beat Negaunee and Marquette in the 12th district and earned the right to battle Escanaba for the Upper Peninsula championship.

The two teams, Ishpeming and Escanaba, play Saturday morning and again at 3:30 Saturday afternoon in the double elimination affair. Should one team win both games the tourney will be over and the U.P. Champ will be named. If they each win one game the finale will be staged on Sunday afternoon at the same diamond.

The winner of the U.P. title gets the nod to compete in the state tournament to be held in Menominee starting Aug. 7. Escanaba won the state championship in 1955 and were runners up the following year. They have been in the state tourney every year since that time.

# Detroit Tiger Road Games Poor

BOSTON (AP)—Failure to win on the road may cost the Detroit Tigers their American League first division berth before they get back home.

The Tigers won a home run battle with the Boston Red Sox Tuesday night, 4 to 3, but lost the ball game, 7-5, in dropping below the .500 mark again as Dave Wickersham missed a try for his 13th victory.

Dick Stuart's three-run homer in the seventh inning for Boston broke a 4-4 tie and carried the Red Sox to their triumph over a pair of homers each by Norm Cash and George Thomas.

Home runs also were smashed by Felix Mantilla and Frank Malzone in a Sox power display that meant an early exit for Wickersham. He left in the third inning.

The defeat lowered Detroit to a 46 won-47 lost record in the AL standings. So far on this road trip the Tigers have lost six games and won three.

The Tigers and Red Sox meet again tonight with Ed Rakow (-5-6) slated to pitch against Earl Wilson (-10-4).

Stuart's homer, his 24th of the year, came off Mickey Lolich

after sophomore right-hander Denny Mc Lain, reliever of Wickersham, had allowed a single and a walk. Up to then McLain had looked good.

An early power display, including Mantilla's and Malzone's homers, had given Bill Monbouquette (6-8) a 4-0 lead in two innings, enough to see him through with the help of relief in the ninth. The homers were Nos. 14 for Mantilla and 10 for Malzone.

Cash rapped his 12th in the fourth inning and 13th in the sixth. Cash also got a single as top hitter of the night.

The first Thomas homer followed Cash's clout in the sixth and tied the score at 4-4. Thomas got his second in the ninth. The two were his eighth and ninth.

The Red Sox, reversing the score of Monday's game, pummeled Wickersham for seven hits in two and one-third innings. These included the Mantilla and Malzone homers and back to back doubles by Ed E. Bressoud and Russ Nixon. Wickersham was jerked after allowing two singles in the third.

# Orioles Lose Twin Bill As Yankees Take AL Lead

By The Associated Press

The New York Yankees trimmed Washington 7-1 Tuesday night.

Then they wound up on top of the American League when John Romano powered Cleveland to a 4-2, 8-5 doubleheader sweep over Baltimore and Vic Power came through with the big hit in the Los Angeles Angels' 2-0, 3-2 sweep over the Chicago White Sox.

## Hodges Predicts Yanks Won't Win

NEW YORK (AP) — Gil Hodges is not one of those who think the New York Yankees are a sure thing to win the American League pennant — even though they moved back to first Tuesday night.

Before the meeting between his Washington club and the defending champions, the popular manager said he was more certain his Senators would not finish in the cellar than he was of the Yankees winning the pennant.

"The Yankees are having some trouble with their pitching," Hodges said. "If the Orioles and White Sox continue to get the strong pitching they have been getting, the Yankees are in for a lot of trouble."

It didn't work that way Tuesday night. Both the Orioles and White Sox lost doubleheaders while the Yankees defeated the Senators handily 7-1 behind the four-hit pitching of Jim Bouton.

## Williams Wins Over Sonny Banks

HOUSTON (AP) — Cleveland Williams, the fourth ranked heavyweight, pounded young Sonny Banks of Detroit for five rounds Tuesday night and stopped him with a technical knockout at 2:59 of the sixth round of their scheduled 10-round heavyweight fight.

Williams relentlessly stalked the Detroit and knocked him down once each in the fourth and fifth rounds.

Williams weighed 217 pounds, Banks 199½.

A crowd of 9,000 saw the fight card. It was Williams' 49th knockout. He now has a 60-5-1 record. Banks, who never fought a round as an amateur, now has a record of 18 victories and six defeats.

## Saginaw's Shook Easy Winner

CHICAGO (AP) — Patti Shook of Saginaw, Mich., won easily in her first round match in the Women's Western Amateur Golf Tournament Tuesday.

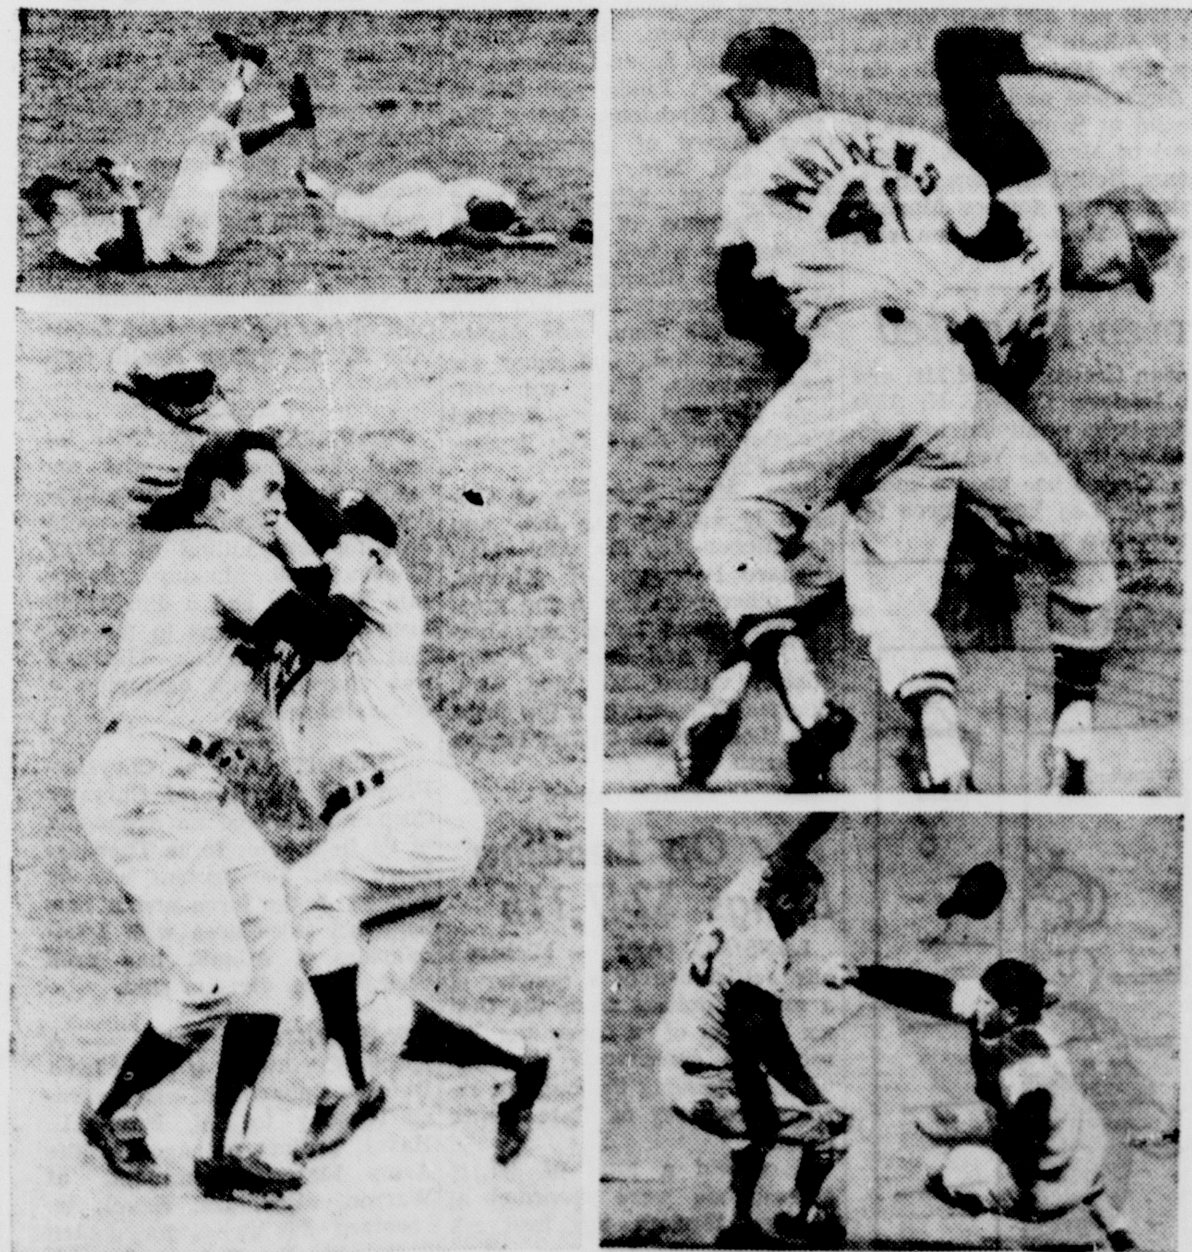

Miss Shook took the measure of Sunny Moss of Cleveland Heights, Ohio, 6 and 5. In the second round today she was matched against Lida Matthews of Portsmouth, Ohio. Miss Matthews defeated Barbara McIntire of Colorado Springs, Co., Tuesday, 1 up.

Nancy Shepherd of Kalamazoo, Mich., defeated Sharon Wilder of Grand Rapids, Mich., Tuesday, 2 and 1. Miss Shepherd was booked today against Jan Ferraris of San Francisco, first round winner over Ann Baker of Maryville, Tenn., 3 and 2.

## Sports In Brief

YFSILANTI (AP) — Robert Briner, former director of athletics at Spring Arbor College, has been named sports publicist at Eastern Michigan University. Briner is the first full-time sports publicist to be appointed to the EMU news staff.

Former outfielder Dave Philley is managing the Statesville Colts in the Western Carolinas League.

**COLLISION COURSES**—When determined baseball players set courses toward the same objective, the result, more often than not, is—WHAM! Top left, New York Mets' second baseman Ron Hunt, right, lies unconscious after slamming into centerfielder Jim Hickman chasing a bloop. Top right, Donn Clendenon, Pittsburgh first baseman, runs into Milwaukee third baseman Ed Mathews, 41. Lower left, Minnesota second baseman Bernie Allen, left, heads into pitcher Camilo Pascual on the mound as they both go after an infield fly. Lower right, Mets' Hunt again encounters catcher Ed Bailey of Milwaukee at home plate.

## Danny Valdez Wins Fight Over Danny Valdez

LAS VEGAS, Nev. (AP)—Two featherweights, each named Danny Valdez and each jealous of the other, battled for 10 rounds Tuesday night in what was billed as a climax to their feud.

The result: Danny Valdez, 125 of Los Angeles, was awarded a unanimous decision over Danny Valdez, 123½, of Mexico City.

To avoid confusion, the Mexican Valdez was listed on the card as Daniel. His record now is 15-8.

The Los Angeles Valdez, who lost a title bout to the late Davey Moore April 8, 1961, has 26 wins against 7 losses.

## Phils Ride Storm In Top NL Spot

MILWAUKEE (AP)—Despite their worst slump of the season, the Philadelphia Phillies are riding out the storm in first place in the National League pennant chase.

"We just haven't played as clean baseball as we did in the first two months, but we're still leading the league and what can you do with a team like that," Manager Gene Mauch said Tuesday night after the Phils defeated the Milwaukee Braves 6-3.

"We played terrific baseball for the first two months, making few mistakes, and something had to give," Mauch added. "I don't know of any team that ever went through a season without playing some giveaway. Now we just have to start playing the way we were—cleanly."

"The pennant race is not different now than when we teed off. The team that gets the pitching and makes the fewest mistakes will be in business in October."

The Phils cooled off the surging Braves with a 14-hit attack, including home runs by Bobby Wine and Tony Taylor, in capturing the opener of a three-game series. It was only the league leaders' fifth victory in the last 14 games.

The loss was just the fourth for the Braves in their last 14 outings, but it dropped them 6½ games off the pace.

Seven of Philadelphia's last nine defeats have been at the hands of left-handed pitching. Apparently stung, the Phils belted Milwaukee southpaws Wade Blasingame and Billy Hoelt before picking up to unearned runs off right-handers Bob Tiefenauer and Chi Chi Olivo in the ninth inning.

"We knew from the outset we were vulnerable to left-handed pitching," Mauch said. "However, we started out by beating something like seven left-handers in a row. That was due mainly to our pitchers turning in better games than opposing southpaws."

At one point the Phils had an 11-3 edge against left-handers. However, they now are all even with a 16-16 mark.

## Last Yachts Arrive At Mackinac Island

MACKINAC ISLAND (AP)—The arrival of the last two yachts late Tuesday afternoon officially completed this year's Port Huron to Mackinac race.

Gypsy, a Milwaukee sloop, was named the official Class A and overall winner. It was the first vessel to complete the race.

Class B honors went to Meteor III, Flying Buffalo won in Class C, Windlassie in Class D and Ripple in Class E in the 235-mile race.

The Jean Deau II, a 27-foot cutter out of Tawas Bay, and Vent Blanc, a 28-foot ketch from St. Clair, were the last boats to finish.

Both had been reported missing earlier as fog shrouded the finish line and a Coast Guard cutter was anchored at the line to watch for the sailboats.

Most of the competitors in the race are making their way across Lake Michigan for the start of the annual Chicago to Mackinac race.

Bill Selman, a native of Fort Frances, Ont., will coach the University of North Dakota freshman hockey team next season.

Campout Trip Marked Success

Despite threatening thunder storms on Monday, the weather remained fair on Tuesday and the boys were able to leave via boats Tuesday morning for their delayed campout at Twin Springs Park. They arrived at the Gladstone Yacht Harbor this morning tired, but happy.

The girls campout is scheduled for Tuesday, July 28, and all girls planning to attend are asked to pick up their permission slips at the recreation building and have them signed by their parents and returned as soon as possible to Don Pfoth-hauer, recreation director.

Plans are being made for a full schedule of speed boating, water skiing, pram sailing, swimming, cook-outs, water baseball, lunch, supper, breakfast and a slight possibility of some sleep.

Other activities sponsored by the Recreation Department for the week include a tennis court dance Thursday from 9 to 11 p. m., boys' golfing Friday at 9 a. m. and free movies at the recreation building beginning at 1:30 p. m. The Three Stooges will be shown in "Punchy Cow Punchers", and "Square Heads of the Round Table." Saturday afternoon the Junior Yacht Club will hold a watermelon fight at the pram site near the Yacht Club and on Monday girls golfing will begin at 9 a. m. The regular comic exchange will be held on Wednesday at the Rec building from 2 to 3 p. m.

Towels, glasses, watches and other beach articles are being held at the recreation building and may be identified and claimed.

Briefly Told

A 15-year-old Rapid River boy who has a record of offenses has been taken into custody by Michigan State Police of the Gladstone post for breaking and entering the A&W drive-in at Rapid River the early morning of July 21. A small quantity of cigarettes and candy and 79 cents in change were taken. The boy is lodged in the Delta County jail with approval of the Delta County juvenile court. State Police said the boy has been involved in 10 to 15 offenses in the Rapid River area.

The reunion committee of Gladstone High School class of 1954 will hold a final planning meeting at the home of Mrs. Gary Nieuwenkamp, 601 Montana Ave. at 8 p. m. Thursday.

State Briefs

FARMINGTON (AP)—Francis H. Pelaney, 19, of Walled Lake drowned Tuesday in Coventry Lake in Oakland County's Farmington Township. Police said the victim, a construction worker, had been swimming on his lunch hour.

Tax On Lending Brings \$247,116

LANSING (AP)—Michigan has netted nearly a quarter of a million dollars from the first six months of a new tax on recording commercial transactions for lending institutions, reports Secretary of State James Hare.

Hare said a total of 247,116 transactions were recorded at \$1 each through the first six months of the year.

Hare said that new legislation passed by the last session of the legislature, which goes into effect Aug. 29, will drastically cut such operations under the Commercial Code. Many of the regulations of the filings will revert back to the registers of deeds in the various counties, he said.

WASHINGTON (AP)—A special Certificate of Merit from Defense Department was awarded Tuesday to Col. Frank L. Havel, project manager of the Army Materiel Command at Warren, Mich. Col. Havel, 46, received the award for contributions to the Defense Department's cost reduction.

LUDINGTON (AP)—Alfred Standberg, 58, of Chicago Heights, Ill., drowned Tuesday in Hamlin Lake near this Lake Michigan community. Police said the victim fell out of a boat into about six feet of water.

Club Planning Teen Dance

The annual teenage Par Party sponsored by the Gladstone Golf Club will be held at the club Sunday, July 26 and all area senior high school students are invited to attend.

The semi-formal affair will feature dancing to records and a luncheon. The party will last from 7:30 to 11:30 p. m. Tickets will be sold at the door, however, the planning committee requests that those who plan to attend purchase their tickets beforehand from the committee members.

Chairman of the event is Sherry Maskart with Bruce Hawkins as co-chairman. Other members of the committee are Alice Miller, Don Pfoth-hauer Jr., Bob Kelly, Jean Hoehn and Dorell Butsch.

Gladstone High's Class Of 1924 Enjoys Reunion

The 40th anniversary of the 1924 graduating class of Gladstone High School was celebrated at an informal reunion held at the Terrace Supper Club recently.

Present for the event were Mr. and Mrs. Myron Goodman (Violet Struble); Mr. and Mrs. Oliver Gabrielson; Mr. and Mrs. Merle Hovman (Lavinia Cowell); Mr. and Mrs. George Minne (Eusebia Louis) all of Gladstone; Mr. and Mrs. Clarence LaLone (Ruth Manier); Mr. and Mrs. Levi M. Barbo (Virgie Fisher), Rapid River; Harold Bjorklund, Bertha Aides (Anderson), both of Gladstone; Lennea Oster (Anderson), LaPeer, Mr. and Mrs. Russell Griffiths (Edith Jackson), Chicago; with Mrs. Laura Grice of Port Huron, Mich., a guest.

A short program followed the supper and the "good old days" were recalled. A joint reunion of the Classes of 1924 and 1925 is being planned for next summer. Of the 43 members of the 1924 class, nine are deceased.
